GEORGE KUHN KILLED BY TRAIN

Accident Happened Near Cameron and Fayette Street Last Night

INQUEST IN PROGRESS

Endeavored to Detrain Near Point Where He Meets His Death—Body Badly Mangled.

George Kuhn, about thirty-five years old, unmarried, was ground to death beneath the wheels of a northbound train over the Washington-Virginia Railway shortly before 11 o'clock last night near Cameron and Fayette streets.

Kuhn boarded the train at the intersection of King and Pitt streets intending to detrain at Cameron and Fayette streets. It is reported that Kuhn endeavored to get off and missed his footing and slipped between the cars, the trailing of the train crushing him to death. His body was dragged about thirty feet.

Coroner T. M. Jones was summoned and the body moved to Wheatley's mortuary chapel where an inquest is being held this afternon.

The taking of testimony was begun at 3 o'clock.

The jury is composed of J. H. Trimyer, John G. Cockey, C. C. Batcheller, John U. Schwarzmann, Joseph C. Bowie and M. Jaffa.

Kuhn lived at 111 North Fayette street. Besides his mother, Mrs. Bouna V. Kuhn he is survived by several sisters and brothers.

The deceased was a carpenter and recently had been employed in the work of constructing the torpedo assembling plant. The train was in charge of Conductor John W. Travers.

The accident attracted a large throng of persons to the scend and practically all waited until the coroner arrived and the body was moved.

HOME DYNAMITED

Three Arrests Made, One Being the Husband of One of the Occupants

Cumberland, Md., May 2.—The home of Mrs. Amanda Long, widow of John Long, was badly damaged by an explosion of dynamite shortly after 2 o'clock Wednesday morning. Three arrests have been made, one of the suspects being George Shewbridge, husband of Mrs. Long's oldest daughter Lottie. They have been separated nearly three months. The dynamite was placed under the window of the room that Mrs. Shewbridge had occupied when Shewbridge was living with her, but the bed had been changed to an opsite corner.

While the upper and lower sections of the back part of the house were completely torn apart, no one was injured, although Mrs. Long, her daughters, Mrs. Shewbridge and Dollie Long; her son, Harry Mowery and five roomers were badly shaken up.

Mrs. Shewbridge declared that on several occasions her husband pointed a revolver at her and threatened to kill her. The windows of the Baltimore and Ohio Railroad Young Men's Christian Association and other nearby buildings were blown out. It is understood a party had been held at the Long home earlier in the night.

10,000 KOREANS KILLED

30,000 Arrested, Says Dr. Rhee, Secretary of State. Charges Barbarities.

Washington, May 2.— Ten thousand Koreans have been killed and 30,000 imprisoned by the Japanese since the revolt for independence began, Dr. Syngman Rhee, Secretary of State of the Provisional government of Korea, declared in an address here yesterday. He spoke before the National Popular Government League.

"Japanese authorities in America," he declared, "have deprecated the casualty lists sent to this country from Shanghai since the Japanese first took forcible and Prussian-like means to put down the revolution. But our cable dispatches from Shanghai, which have now been confirmed, report that 10,000 Koreans were killed and 30,000 arrested; and imprisonment in a Japanese jail in most cases, means death, and almost invariably torture.

"Churches have been burned, villages destroyed, and men, women and children massacred. Missionary homes have been searched, their inhabitants thrown into prison; women dragged naked through the streets and one little girl, who held up a poster proclaiming the rights of the Koreans, has had her hands slashed off by a Japanese soldier."

PEACE CONGRESS

Spacious Room Receives Installation For Handing Over of Terms to Germany.

Versailles, May 2.—The spacious dining-room of the Hotel Trianon today received its Peace Congress installation—three long tables in horseshoe form covered with the traditional green cloth of diplomacy and games of hazard. The installation is imposing in the size of each of the side tables, which extend some 40 or 50 feet through the room.

At the head of the apartment is a table about 35 feet long, at which the representatives of the great Powers will be seated, with President Poincare or Premier Clemenceau in the center.

Inside the horseshoe is another table covered with red plush, and in the space between one side of the horseshoe and the windows is a similar table. In the window openings are a number of smaller square tables for secretaries.

This is the scene for the handling over of the terms of peace. The exact date of the ceremony has not been announced, but it is commonly assumed that it will occur Saturday.

The French Government, however, has abstained from naming the day, either to the public or to functionaries intrusted with arrangements, and it is a fair presumption that this is due not only to the problem of whether the intervening time will be long enough to verify the credentials of the German plenipotentiaries but also the uncertainty whether the draft of the treaty can be completed by Saturday.

DEATH CLAIMS COL. T. H. FICKLIN

Prominent Educator Dies After Short Illnes at Home Last Night

TEACHER FIFTY YEARS

Owing to Failing Health Retired in February—Death Shock to His Many Friends.

Col. Theodore H. Ficklin, a retired public school teacher, about seventy-three years old, died suddenly at his residence 714 Duke street shortly after 10 o'clock last night. He had been in failing health for some time, although his death was entirely unexpected.

Col. Ficklin has been teaching for the past 53 years, but owing to ill health resigned February 6 as a public school teacher. For forty-eight years he taught in the public schools of Alexandria.

He was principal of Washington school for boys for many years and when the Alexandria High School was established several years ago he was made teacher in that school.

The deceased besides his wife is survived by the following children: Miss Kmes Ficklin, Miss Mary Ficklin and Miss Cecelia Ficklin, this city; Mrs. John J. Echols and J. V. Ficklin, the last named two of Washington.

Col. Ficklin was a native of Richmond county, Va., and was about seventy-two years old. He first taught school at St. John's Academy this city.

The deceased served a part of the time in the Confederate army.

Col. Ficklin was one of the best known educators in the state of Virginia and he turned out pupils from his school who have made good in every line of endeavor. He leaves a host of friends among his former school boys to mourn his loss. Perhaps there was no teacher in the public schools who made such a pronounced success in teaching as did Col. Ficklin. News of his death was received today by his former pupils with sincere regret.

SIMMONS ACQUITTED

Jury Soon Frees Petersburg Man Who Killed R. H. Harris in Store

Petersburg, Va., May 2.—Lester B. Simmons, indicted for shooting and killing R. H. Harris, in his (Simmon's) cigar store in the Chesterfield Hotel Building, of North Sycamore street the night of April 4, was acquitted by a jury here yesterday, after only five minutes of deliberation.

Simmons told he had frequently warned Harris to keep out of his store; how, the night of the shooting. Harris had refused to leave after having been ordered to do so, and of Harris using most insulting language.

Judge J. M. Mullen, of the hustings court, who heard the case, rebuked the jury for its verdict. He admitted that the provocation was great, but did not think from the evidence Simmons was justified in shooting Harris.

Simmons was once a professional ball player.

York, Pa., May 2.—The $10,000 War Risk Insurance policy and the allotment checks stolen from the home of Mrs. Elizabeth March, Dover township, two weeks ago, have been returned just as mysteriously as they were stolen.

The tank will leave from in front of the rooms of the Chamber of Commerce at 6.30 o'clock and go directly to the old canal basin on North Washington street.

The affair will be staged under the direction of the local Victory Loan Committee of which R. S. Jones is chairman.

A band concert was given last night in front of the Young People's building and despite the rain was attended by a large gathering.

The concert was given by the Sixty-third Infantry Band and was greatly enjoyed by all present.

The gathering was addressed by Maj. J. Randall Caton in the interest of the sale of the bonds and a total of $16,000 worth of bonds were sold during the progress of the concert. Maj. Caton did splendid work and probably will speak tonight at the thank exhibit.

As already stated in the Gazette the parade proposed to have been held yesterday was called off on account of the rain. However, the band and tank headed by members of the local committee made a short trip up King street and out Washington and finally to the front of the Young People's building.

Members of the band were entertained at luncheon at the Westminster building following the concert. The musicians were guests of the women's committee on the Victory Loan.

Sunday Drive Planned

Announcement is made by the Local Victory Loan committee that there will be a house to house canvass Sunday afternoon in the interest of the sale of the bands. Every one is urged by the committee to remain at home during the progress of the drive in order that the solicitors may not have to make a second call.

Every member of the committee who expects to participate in the drive Sunday is requested to call on the rooms of the Chamber of Commerce tomorrow or not later than 2 o'clock Sunday and get their badges and have territory assigned to them.

Delegation From Berlin Arrives at Versailles on Two Special Trains

Paris, May 2.—The terms of the peace treaty will be presented to the German delegates on Monday.

Germany, by the treaty, loses 70 per cent of her iron ore and one-third of her coal and 20 per cent of her potash output. Germany further loses between 7,000,000 and 8,000,000 of her inhaitants and all of her colonies.

Jules Cambon, former French Ambassador to Germany, and Barnes, the British labor leader, will examine the German delegates credentials.

Versailles, May 2.—The main German peace delegation led by Foreign Minister Brockdorff-Rantzau, arrived here shortly before 12 o'clock last night. It consisted of eighty men, including President Leinert of the Prussian assembly; Prof. Shuecking, Minister Landsberg and Minister Giesberg.

The enemy representatives, traveling in two special trains, reached Vaucresson about 10:30, where they were transferred to automobiles and motor buses and brought to Versailles.

Asked by reporters how he had enjoyed his trip. Foreign Minister Brockdorff-Rantzau, head of the German peace delegation, replied "All right—up to the present."

PLEASED WITH COMPACT

Chinese Sentiment on Shantung Issue Differs Widely From that of Tokio.

Paris, May 2.—The last vestige of doubt as to the authenticity of the information contained in last night's dispatch regarding the Shantung question was removed last night when it was authoritatively announced that a compromise settlement has been effected. While Japan is exceedingly pleased with the result, China is equally disappointed.

By the terms of the settlement all the rights in Kiaochow and throughout the Shantung peninsula must be signed over by Germany to Japan.

Japan engages to return the peninsula in full sovereignty to China "in due course" and withdraw all Japanese military forces at the earliest possible moment.

That she will religiously keep this undertaking was emphasized by Baron Makino, her chief plenipotentiary, today. From his remarks it was apparent, that the thing Japan objected to and would not have permitted to pass was any sort of expression of suspicion that she would not fulfill her obligations. "We have never broken our word and never will," was the keynote of his statement to journalists.

The baron added that the settlement is completely satisfactory to the Mikado's government, and that there is now no chance of a Japanese withdrawal from the conference.

"Unsatisfactory" was the only comment obtainable at the headquarters of the Chinese peace mission.

NEW YORK'S "NEW CHURCH."

Poet Teachings Equal Christ's in Latest Religious Venture

Christ, Isaiah, St. Francis, Socrates, John Wesley, Buddha, Tolstoy, Emerson, Lincoln and Mazzini are to be the nominal figureheads of the community church which came into official being on Sunday.

Their names will be inscribed in letters of gold on the panels of the various entrances of the Church of the Messiah. Christ and Isaiah, representing the Christians and the Jews, will have the place of honor at the main entrance.

St. Francis is chosen as representative of the highest type of Catholic; John Wesley as a protestant; Buddha as one of the great leaders of East; Socrates as the religious leader of the classic world; Tolstoy as the representative of modern thought; Emerson, Lincoln and Mazzini as national figures.

The church will be open to men of any color, creed, race or religion. The Socialist and the capitalist will be equally welcome; the Catholic and the Confucian, too.

"This action we have taken is positive in its effect,' said Dr. John Haynes Holmes, pastor of the church and founder of the movement. "We are not making our religion a smaller, but a larger thing. We are accepting Jesus as we have always done, but we are also accepting the teachings of the other great prophets of history. The foundation of the community church marks an epoch in the history of Christianity not dissimilar in character and importance to the Reformation. —(New York Tribune.

TEMPTING PROVIDENCE

Late last night a well known young man of this city had his life crushed out by attempting to do what he had probably often done before—step from one car to another while an electric train was in motion. A misstep sent him down between the cars, and although the conductor, who witnessed the accident, attempted to pull him back to the platform he was unable to save him from his fate. His death was instantaneous, and within half a square of his home. The unfortunate young man evidently intended to leave the car on the left side instead of the right, as is the rule.

This distressing accident recalls others, the result of thoughtlessness. A year or so ago an electric train was slowly moving down Fourteenth street, Washington, on its way to Alexandria. A young man, instead of using the steps to reach the platform, walked between the cars for purpose of doing what he had probably often done before—pull himself upon the bumpers. The moving train threw him off his feet and on to the rails. He was, of course, killed in the twinkling of an eye.

The rash act of the young man last night is one committed by many every day. In the hurry to leave trains on the right side numbers take the chances by stepping down between the cars and emerging on the left side.

Not all who tempt Providence pay the terrible penalty. Occasionally one does, however, seemingly as a warning to the large percentage of the human race who manifest aversion to obeying rules.

If passengers observed the recommendations formulated by railroads the number of accidents would be minimized considerably. If the well known legend, "Stop, Look, Listen" at crossings were more closely heeded we would not be reading, as we are now, of daily horrors to automobile parties.

THEY SHALL NOT PASS

The Paris Conference could do nothing more than to insure the trial of the former Emperor of Germany, and the announcement that the conference will call him and other war criminals before the bar of international justice will be received with unqualified approval by the vast majority of people in all the allied countries. To let these wicked doers escape trial on technicalities of international law would have shocked the conscience of the world. If the things which were sanctioned and encouraged by the former German Emperor and some of the leading officials in Belgium, France, Poland, Serbia, in the air and on the seas, are to be accepted as legitimate methods of war, then we might as well assent to the Prussian doctrine that the greater the inhumanity practiced, the greater the benevolence of those who practice it.

A great question is involved in the trial of the Hohenzollern crew. That is the question of whether there is any such thing as a moral standard. In one sense the biggest issue before the conference has been this. If it had been ignored or treated as of small importance, we would have virtually condoned all that we have condemned. We could not afford to put ourselves on a moral level with some of the most monstrous criminals in history.—(Baltimore Sun.

Marble Floor Finish

For outside work and all surfaces exposed to water, use Vernosite. It will not turn white from rain or sleet and the sun will not blister it.

For inside woodwork where extremely transparent varnish is required, use Pale Interior. It preserves the natural beauty of the wood, is hard to mar and won't scratch white.

For all floors inside use Marble Floor Finish. It waterproofs the wood, and enables it to withstand the severest wear and tear without marring.

Never take chances with varnish. Get Devoe and be *sure*. Remember, we guarantee satisfaction. Ask for booklet—"Seeing the Brighter Side."

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel — are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

SHOT AND KILLED

Cleveland Man Fatally Wounded as He Protectd Ill Wife From Draught

Cleveland, May 2.—Because he insisted on closing a window to protect his ill wife from the cool evening air, John Maskey, thirty-six, was shot and killed in his rooms. John Shadrach, fifty-eight, of the same address, was arrested on the charge of murder.

Maskey was shot in the stomach with a shotgun. Both men were carpenters.

According to the story witnesses of the shooting told Inspector of Detectives Charles N. Sterling, Maskey came home from work, and on his way to his rooms on the third floor of the building, found the window in the second floor hallway open. He shut it.

Shadrach appeared, other residents of the building say, and ordered Maskey to leave the window open. "My wife is ill and you know it, Maskey is reported to have told Shadrach. "This window causes a draught upstairs."

As Maskey turned to leave the window, after Shadrach had stepped back into his own room, Maskey was shot. He fell dead.

Our success proves that service counts

We firmly believe that our success has been due to one thing.

Never being afraid of doing too much for our customers.

We've served our patrons instead of being satisfied with just selling things for a cash profit.

And we are always going to serve them.

We are always going to give them just a little more than they expect.

For instance, we are always going to give them the benefit of our knowledge of good groceries.

This means that we not only keep our shelves filled with the best groceries on the market, but that we suggest things to our customers which we think are especially fine

One of these things is RY-Zon Baking Powder.

We recommend it because we are convinced that everyone who tries it will be a still better friend of ours.

It costs but 40 cents a pound.

We also secure for our customers the famous RYZON Baking Book at 30 cents (original price $1.00). It's full of new and attractive recipes which have all been tested. Of course especially adapted to RYZON.

COAL, LUMBER AND BUILDING MATERIALS

W. A. SMOOT & CO. INC.

Your Next Winter's Coal

We do not know what the price of coal will be next Fall and Winter, as the retail price is governed by the price at the mines and the freight.

Our understanding of the present program is that Anthracite coal will advance ten cents a ton a month from May 1st to September 1st, and although we think this program will probably be carried out yet we are not sure of this.

We do know that THE MINES CANNOT PRODUCE, THE RAILROADS CANNOT HAUL, AND THE DEALERS CANNOT HANDLE nearly enough coal during the Fall and Winter months to take care of an ordinary Winter's demand.

This means that coal will have to be mined, transported and delivered during the Spring and Summer to avoid a serious shortage next Fall and Winter.

We advise our customers to take these facts into consideration and order a reasonable supply of coal now.

She was the widow of Theodore M. Pilcher, who died about eighteen months ago, and who for many years represented Fauquier county in the legislature of Virginia. Peels Off Corns Between Toes

The Great Corn Loosener of the Age. Never Fails. Painless.

A corn mashed, squeezed and crushed, all day long, in between two toes! You can try the desperate, "treat 'em rough" way and try to dig

"Two Drops of 'Gets-It',—That's All!"

it out and fail. Or, you can try the sensible, peaceful, painless, easy way and use "Gets-It." It's easy for "Gets-It" to remove corns in hard-to-get-at places. It's a liquid—a wonderful painless formula—it has never been successfully imitated. It settles on the corn, and dries immediately. Instead of digging out the corn, you peel it out painlessly. There's no sticky plaster that doesn't stay "put", no salve that irritates or rubs off. You reach the corn easily with the little glass rod in the cork of every "Gets-It" bottle. It does not hurt the true flesh. Try it, trot and smile! It's a blessing; never fails.

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'f'd by E. Lawrence & Co., Chicago Ill.

Norfolk, Va., May 2.—The announcement was made Wednesday by Vice President J. H. Thomas, of the International Mercantile Marine, that a line of steamers, from Norfolk to Antwerp will be operated from this port at the earliest possible time. MACHINIST-SOLDIER KILLED

Hampton, Va., May 2.—Sergeant Aubrey C. Wright, twenty-four years old, a machinist in charge of the hangars at Langley Field, was killed Wednesday afternoon by being struck by the propeller blade of a large airplane.

His skull was crushed in by the blow. Wright had just completed repairs to the plane, and was testing it out when the accident occurred. His home was in Cookville, Tenn.

NOTICE TO RENTERS

What protection have you against a raise in your rent? A building lot, paid for, is your best protection because you will then be in a position to build your own home in case the rent becomes more than you care to pay. Your landlord will tell you it is cheaper to rent than to own. He knows better but he does not want you to break away from the tenant class and become a home owner.

$8.00 per month will put you in possession of a choice home site, which when paid for will enable you to build and thus pay rent to yourself rather than to a landlord.

Think this over now then act. F. C. Goodnow Company, agents. 600 King Street. Phone 388. 103-4t.

ATTENTION

Home Seekers, Builders and Investors

For the purpose of encouraging and assisting the building of homes in Alexandria we will give a complete, high class bath room equipment consisting of bath tub, closet, lavatory and medicine cabinet, to each of the first five purchasers of our Rosemont lots who start dwellings thereon and prosecute the building of such dwellings to completion.

Do Not Miss This Opportunity

It is true that building costs are higher than in the past but it is also true that building costs have advanced less than most other costs.
Rent returns sroy a higher percentage of interest than ever before.
We want to talk with every person in Alexandria who wants to own his own home.

INGOMAR—Enid Bennett

Enid Bennett as little Eva! But only for a very short time—that's in "When Do We Eat?" her new Thomas H. Ince Paramount picture which is on view at the Ingomar Theatre tonight. And the rest of the story hasn't anything to do with Ice, or Eliza, or Uncle Tom, or bloodhounds. It's a great comedy drama of the Middle West—and it is filled with human interest, comedy, thrill and a little pathos.

RICHMOND—Elsie Ferguson

Elsie Ferguson's new picture, "Eyes of the Soul," which is the bill at the Richmond Theatre tonight, is a delightful photoplay and one of the best in which she appeared this season. The story is dramatic and every situation has thrill and heart appeal.

BILL FOR 48-HOUR WEEK

sion also would be set up to give effect to the principle of a minimum rate of wages in all industries to be made applicable by law.

Be Strong

THE strong and vigorous man or woman is envied by less fortunate humanity afflicted with aches, pains, infirmities and ailments. The sufferer says to himself, "If I could only be well, how happy I would be," for health is more essential to the joy of living than is wealth.

The kidneys almost literally wash the blood and keep it clean and free from impurities. When the kidneys are out of order, they fail to filter out this waste and poisonous matter. It remains in the system to cause backache, rheumatic pains, sore muscles and stiff joints.

Foley Kidney Pills

help the system eliminate this poisonous waste. They soothe, strengthen and heal sore, weak and diseased kidneys and bladder. When the kidneys are working properly, appetite returns, refreshing sleep is possible, and health and strength come again.

G. W. Smith, 1205 No. 4th St., Salina, Kan., writes: "I am very much pleased with Foley Kidney Pills. I am working in a coal yard and have been very much troubled with my back. I have taken several doses of Foley Kidney Pills and they have already helped me."
